

A Special 10th Anniversary Competition

for all attendees of the Tonner Tyler Wentworth Anniversary Event at the Wiltwyck Country Club in Kingston, NY, on November 7, 2009

On the occasion of the Tonner Doll Company's Celebration of Tyler Wentworth's 10th Anniversary Matt O'Neill invites you to celebrate his bride's professional achievements.

Matt's Special Request and Theme for the Competition

Bring your favorite Tyler from your personal collection dressed for an evening among friends, with dancing. Your Tyler should be dressed as if to be escorted by Matt to the Central Park Boathouse on a fall "Indian Summer" evening, with music provided by the Eric Felten Jazz Orchestra from Washington, D.C.

Repaints, factory paints, original and restyled hair are welcome, but will be judged solely based on the suitability for the evening attire chosen. Entrants will be separated in three divisions for judging:

- **Professional** (attendees who design and sew and have sold more than 5 items)
- **Amateur** (attendees who design and sew for pleasure, and have sold less than 5)
- **Connoisseur** (attendees who do not design or sew but appreciate showing the work of others (factory, LE or OOAKS), or mixing and matching.
